Dear Colleagues,

We are pleased to invite you to our international symposium "Cardiovascular Conundrums: Deciphering Heart Failure, Arrhythmias, and the Burden of Comorbidities" from October 25th to 26th 2024 in Bochum.

This symposium aims to elevate cardiovascular research and clinical insights by fostering interdisciplinary collaboration and knowledge exchange. With a focus on cutting-edge advancements in heart failure, arrhythmias, and related conditions, the event will bring together leading experts to explore new therapeutic targets and improve patient outcomes.

We look forward to an informative event and interactions with you.

Sehr geehrte Kolleginnen und Kollegen,

wir freuen uns, Sie zu unserer internationalen Fortbildungsveranstaltung „Kardiovaskuläre Krankheitsbilder: Entschlüsseln der Herzinsuffizienz, der Herzrhythmusstörungen, und der Rolle der kardiovaskulären Komorbiditäten“ vom 25. bis 26. Oktober 2024 in Bochum einladen zu dürfen.

Dieses interaktive Symposium legt seinen Fokus auf neueste Entwicklungen in der Herzinsuffizienz, Rhythmologie, der Klappentherapie und der translationalen kardiovaskulären Forschung. Neben Neuerungen in der Diagnostik und Therapie werden molekulare Pathomechanismen präsentiert.

Wir freuen uns auf eine informative Veranstaltung und den Austausch mit Ihnen.

10 POINTS | 10 PUNKTE ÄKWL CAT. A

The event has been applied for certification as part of the ÄKWL's continuing medical education programme with 10 points (category A).

Die Veranstaltung ist im Rahmen der Zertifizierung der ärztlichen Fortbildung der ÄKWL mit 10 Punkten (Kategorie A) beantragt.
